

To guardians

## Your child was not vaccinated at school today

Today we vaccinated against covid-19 at your child's school. Unfortunately, we were unable to vaccinate your child because:

- The completed health declaration was missing on 1177.se
- The health declaration was not completely filled in
- The consent was received too late
- The consent was not filled in completely

Other .....

You and your child will be informed when it is time for vaccination.
